

To the Board of Directors of Elliptic Laboratories AS

Report on Review of Interim Financial Information

Introduction

We have reviewed the accompanying consolidated statement of financial position of Elliptic Laboratories Group as of 30 September 2021, the consolidated income statement, the statement of changes in equity and the cash flow statement for the nine-month period then ended, and a summary of significant accounting policies and other explanatory notes. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with IAS 34 Interim Financial Reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, *Review of Interim Financial Information Performed by the Independent Auditor of the Entity*. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing (ISAs), and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying consolidated interim financial information does not present fairly, in all material respects, the financial position of the entity as at 30 September 2021, and its financial performance and its cash flows for the nine-month period then ended in accordance with IAS 34 Interim Financial Reporting.
